

ZERO TOLERANCE POLICY FOR SPORT RAGE

PURPOSE OF THIS POLICY

In recent times Basketball Manawatū has observed an increase in the poor behaviour of some participants, parents/guardians and spectators during its competitions and events. This poor behaviour has been directed at officials, players, coaches, spectators and Basketball Manawatū staff and volunteers. While we acknowledge that this is only a small percentage of individuals within the broader basketball community, these instances of poor behaviour impact on the enjoyment and experience of all participants.

RATIONALE FOR THIS POLICY

A 'Zero-Tolerance' policy is aimed at addressing the situations that arise from this poor behaviour. This policy supplements the following current codes of conduct: -

- Basketball Manawatū Player Behaviour Code of Conduct
- Basketball Manawatū Coach Behaviour Code of Conduct
- Basketball Manawatū Parent & Spectator Behaviour Code of Conduct
- Basketball New Zealand Code of Conduct and Fair Play

The implementation of this policy is aimed at eliminating this behaviour and rebuilding a culture of supportive and rewarding behaviour to further encourage and strengthen our sport in general as we strive to make Basketball the sport of choice in the Manawatū.

This policy does not intend to stifle or diminish healthy supportive cheering or the ability of players or spectators to enjoy the game. Rather it seeks to ensure a safe competitive environment for all participants including officials and other spectators.

This policy supplements the Basketball Manawatū Player, Coach, Officials and Parent & Spectator Behaviour Codes of Conduct, Basketball New Zealand Code of Conduct and Fair Play and Code of conduct and fair play for technical officials.

It is expected that all participants will ensure that their team supporters are made aware of the zero-tolerance policy when attending Basketball Manawatu competitions and events

Basketball Manawatū relies heavily on the goodwill of our Coaches, Referees and Officials, most of whom are volunteers. An increase in incidents of inappropriate and abusive behaviour, known as sport rage, is leading to a decline in those willing to fill these positions. In addition, sport rage impacts on others' enjoyment, risks players and official's safety, and tarnishes the game's reputation. Whatever the form, and wherever it takes place, sport rage is not acceptable in our association.

Sport Rage is any inappropriate or abusive behaviour that involves harassing, demeaning or belittling others. It includes:

- persistently or wilfully questioning or challenging the rulings of Referees &/or Bench Officials,
- berating or abusing Umpires or Bench Officials,
- berating or abusing Players or Coaches,
- berating or abusing other parents/guardians or spectators,
- displaying conduct, which is inappropriate in a sporting environment,
- Enter the playing court at any time without permission.

All appeals against bans under this policy should be directed to the Basketball Manawātū Judicial Committee.
